### **Texas Accredited Commercial Specialist**

**Course #860                      30hrs SAE Credit**

**Cost: \$280.00**

This course is designed to prepare students for entry into the commercial real estate field by exposing them to the fundamentals of commercial real estate finance and economics, and then through the application of those fundamental concepts using actual practice scenarios on a variety of property types they are likely to encounter. It will provide a strong grounding in basic concepts that will help students who intend to pursue higher designations such as CCIM. It will also prepare agents who are interested in moving their field of business from residential to commercial, or residential agents who occasionally take part in commercial transactions.
